インドネシア・東ジャワ支部設立報告

インドネシア支部設立を契機に、岡山大学国際同窓会東ジャワ支部の設立計画が始まりました。アノム氏、ルクマン氏が岡山大学と支部設立に向けて連絡を取り始めた際、まずはインドネシア西部と東部で支部を設立する方針としました。インドネシア支部がジャカルタで設立された後、サバルディン氏と岡山大学職員の松澤さんとが連絡を取り始めました。岡山大学同窓生が東ジャワ地域に多く住んでおり、当該地域には大学や産業機関の数も多いことから、東ジャワ地区に支部設立を計画、東ジャワ第2の都市マランで支部設立大会が行われることになりました。マランは岡山同様山など自然に囲まれ、史跡も多く、「教育都市」としても知られています。これらのことからマランが支部設立にふさわしいと思われました。

2015年8月22日、ブラウィジャヤ大学構内のMIPAセンタービルで、支部設立大会が開催されました。設立大会には、ブラウィジャヤ大学をはじめ様々な大学、高校、研究機関に勤務する多様な年代の同窓生が集まりました。岡山大学からは、森田

潔学長、張紅国際同窓会長、原田美樹国際企画課長が出席しました。また、ブラウィジャヤ大学から Sasmito Djati 副学長、マラン州立大学から Wayan 副学長が出席し、今後岡山大学と相互交流を進めたいとの強い希望が両大学から述べられました。森田学長の開会挨拶、張紅会長による東ジャワ支部役員紹介の後、和やかな雰囲気の中閉会を迎えました。

東ジャワ支部は、岡山大学とインドネシア東ジャワ地域の架け橋としての役割が期待されています。国際同窓会支部は岡山大学との間で交換留学生を増やすとともに、岡山大学でより高い学位を取得する留学生や研究員を増やすべく交流を促進していきたいと考えています。

Establishment of East Java Branch, Indonesia

The establishment of Okayama University International Alumni Association (OUIAA) of East Java branch was initially related with the establishment of Indonesia main branch. The first communication between Okayama University with Dr. Anom Bowolaksono and Dr. Lukman Hakim has brought consideration to the establishment of western and eastern part of Indonesia, which ended with difficulties to gather alumni that are currently serving at different islands outside of Java Island. After the OUIAA Indonesia main branch was established in Jakarta, the effort was resumed with the contact between Ms. Sanae Matsuzawa and Dr. Akhmad Sabarudin. The area is then trimmed to eastern part of Java Island by considering that the number of Okayama University alumni currently staying and working in East Java is prominent, with the area is populated with large number of universities and industries. The discussion is then followed by the preparation of alumni gathering in an inauguration ceremony of OUIAA East Java branch. The ceremony was scheduled to be held at Malang, the second largest city in East Java, with cool climate and surrounded by mountains and hills, similar to Okayama itself. In

Dr. Akhmad Sabarudin, Director of East Java Branch addition, Malang is well known as "city of education" with large percentage of students in its population. Also, various historical sites and buildings are well maintained in Malang. Those characteristics are therefore making itself a meaningful location for the ceremony.

The inauguration ceremony was held on August 22nd, 2015, at MIPA Center building located in the vicinity of Faculty of Science of Brawijaya University. The ceremony brought together alumni from different generations and also currently work at different academic institutions, such as Brawijaya University (UB), Malang State University (UM), Surabaya Polytechnic Institute (PENS), Trunojoyo University, Doktor Sutomo University, Tujuh Belas Agustus University (UNTAG), Surabaya State High School; and at industries, such as Crestec Industry Ltd. Representing Okayama University are the president himself, Prof. Kiyoshi Morita; The chairman of OUIAA, Prof. Zhang Hong; and The head of International Affair Division, Ms. Miki Harada. The ceremony was also attended by the vice president of Brawijaya University, Prof. Sasmito Djati, and the

vice president of Malang State University, Prof. Wayan. The ceremony was opened by an opening speech by Dr. Akhmad Sabarudin, followed by an introduction to Brawijaya University and Malang State University by Prof. Sasmito Djati and Prof. Wayan, respectively. Both universities stated their eagerness to improve the mutual relationship with Okayama University. In the following session, Prof. Kiyoshi Morita also gave an opening speech addressing about the alumni association, followed by a speech by Prof. Zhang Hong who also announcing the committee name of the Okayama University International Alumni Association of East Java branch as follow:

- Director : Dr. Akhmad Sabarudin
- Vice director 1 : Dr. Lukman Hakim

- Vice director 2 : Dr. Sritrusta Sukaridhoto
- Vice director 3 : Dr. Sri Rahayu

The ceremony was closed with a banquet where the attendees can communicate under pleasant atmosphere.

The East Java branch is expected to bridge the gap between Okayama University with Academics and Industries in Indonesia East Java area. The association is looking forward to increase the mutual relationship that facilitate more students and research fellows to pursue higher degree in Okayama University, as well as promoting student exchange between universities.
